

Graphic Design Internship

Hiil is looking for a Graphic Design Intern to strengthen our **Communications Team**. You will support us by creating infographics and designing communications materials for social media and prints. You will work on the layout of (data) reports and presentations. You will assist the team with updating information on the corporate website and various social media. You are passionate about communications, (graphic) design and branding. You are striving to become a graphic design expert. You are ambitious, creative and you like to solve problems. You are driven to deliver high-quality results even when short on time. You have good knowledge of at least one of these software's or equivalent: Adobe Photoshop, InDesign, Illustrator.

We are based in The Hague and offer attractive employment conditions. However, financial remuneration is not our main motivator. What drives us is a passion to make justice work. Hiil forms a community of determined people who are passionate about social impact. We believe that everybody should have access to a procedure that is effective, safe, fast, easy to understand and affordable. That's why justice innovation is needed. This is where we come in. We are dedicated justice change catalysts and movers. We have a strong action orientation and can be qualified as stubborn optimists. Data and evidence is important in all we do. Hiil is an equal opportunity, international employer; what matters to us is your dedication and ability to organise social impact.

UNDER THE DIRECT SUPERVISION OF THE COO YOU WILL

- Be an active part of the implementation of Hiil's communications strategy and Public Relations Initiatives.
- Be responsible to design promotional as well as informative material for the whole organisation.
- You will make representative videos of Hiil's work.
- Support Hiil by updating information on various media.
- Assist by working on the visuals of different documents, reports and presentations.
